TEACHING TEACHERS TO TEACH BETTER

DYNAMICEDUCATION

OFFERS...

#TeachCraftLearning

YOU NOW HAVE A SOLUTION THAT WORKS!

Your school deserves to be on top! By preparing your teachers for the challenges ahead, you are making the right choice.

In the world of education **young people are constantly looking for avenues of excitement and independence.** This is why TikTok, YouTube, Instagram, etc. are dominating the attention of our students. **A dynamic alternative is the only way** to get their attention back towards with their studies.

TeachCraft® was designed to do this. **We help develop your team into dynamic teachers** by creating **customized training sessions** to compete with the social media driven, video gamified world that we live in now. By **improving your teacher's skills**, your students will better achieve the academic results that your school is seeking.

This overview provides an introduction to our services and insight as to how we can **help your team WIN IN THE CLASSROOM to WIN IN EDUCATION!**

DYNAMIC DESIGN OPTIONS FOR YOU!

PROGRAM COMPONENTS:

- On-Site Live & Virtual Trainings
- Teacher Assessments
- Interactive Activities
- Researched-based Practices
- Simulated Classroom Action

Dynamic Education provides **various programs** designed in a matrix style, **allowing maximum flexibility** for delivery and design, to accommodate the school's needs and preferences.

Whether **enhancing your existing teacher development** program or working with you to build a foundation from the ground-up, each learning program has design flexibility which can include a blend of **on-site, on-line and on-demand** workshops & related content, offering a full suite of skill-building tools.

We deliver content from our years of practical **hands-on experience, academic research, and verified results.**

MEET DR. RICHIEZ

Dr. Anthony Richiez is a recognized expert in the niche area of Dynamic Teaching.

During the past 15 years, Dr. Richiez has conducted many dynamic teaching seminars and workshops for schools and educators focusing on effective teaching strategies.

His insights come from nearly 30,000 hours of industry experience, ranging from teaching to training to education management - where he has worked with K-12 and postsecondary organizations in both profit and nonprofit sectors.

He specializes in “teaching teachers how to teach, better”. His dynamic method helps teachers to engage students to better comprehend information taught inside the classroom.

Dr. Richiez works hard to make teachers Dynamic!

HOW WE WORK WITH SCHOOLS

Training options are unique to each partner school.

Our hands-on, school on-boarding process allows us to develop a framework to achieve your school's objectives, while allowing for a dynamic education partnership.

It is our goal to enhance your team's ability to engage students with #dynamicteaching

1. Program Design Scope Meeting

- Identify desired program outcomes and service offerings.
- Design a Dynamic Plan to achieve YOUR school-wide academic goals.
 - Select the Assessments, Presentations, Workshops, Coaching Options, etc. that work for your school.
- Set frequency of modules & length of program to fit your desired skill level and development pace.

2. Select anticipated delivery dates, document formal **Scope Of Training** for approval & sign agreement.

3. Get started with a fruitful partnership between Dynamic Education and your organization!

We strive to be the easiest partner you work with! **Please know we are able to tailor your program's structure and align with your school's budgeting guidelines & restrictions to ensure maximum value without sacrificing integrity.** Let us know how we can make it even easier to work with you!

Let's build a working alliance to keep your teachers Dynamic!

MODALITIES FOR WORKSHOP DELIVERIES

Dr. Anthony Richiez, founder and senior presenter will serve as the lead presenter, coach and performance strategist for your school.

In addition to his experience with on-site teams, Dr. Richiez is a Certified Virtual Presenter, a Harvard Certified Leader of Learning, and Learning Forward Standards Certified who has facilitated workshops and seminars since 2009.

On-site, Instructor Led Training (ILT)

- Training sessions delivered in-person, at your school or suitable off-site location.
- Interactive and engaging mix of instruction, conversation, and activities to enhance the teacher learning experience.
- Topic sessions can be between 1 - 6 hours each. (You decide topics, based on need) *some topics may be shorter or longer timeframes than others.
- Health-safety guidelines will apply, as appropriate.

Virtual, Instructor Led Training (VILT)

- Delivered virtually via Zoom or other suitable platform.
- Sessions hosted virtually are LIVE, with teachers & participants also attending live, online.
- Interactive and engaging mix of instruction, conversations, and activities to enhance the teachers learning experience [including virtual break-out groups for small-group activities].
- Sessions can be between 1 - 4 hours per topic. (You decide topics, based on need) *some topics may be shorter or longer timeframes than others.

WORKSHOP CURRICULUM & CONTENT

From ready-to-go learning topics curated from our collection of proven content and activities

to

Fully custom-built training programs built by the Dynamic Education team.

We stand ready to deliver research-based, fully interactive content and activities for teacher growth and classroom results!

TeachCraft® Workshops. Featuring **proprietary workshops** from our in-house collection of **research-based theories and activities**, available both “off-the-shelf” and fully, custom-built just for your organization. Most programs can be tailored to fit your training schedule requirements.

Dynamic Instructional Coaching. Through the lens of **continous improvement**, ongoing insights via in-person or online **instrucitional coaching sessions with a workshop facilitator** are available to keep teachers up to date with new skills and competencies.

Dynamic Teaching. These techniques and theories, when combined, make teaching more dynamic!. When implemented correctly, **learners are more engaged with their teachers and retain more of what is being taught to them.** This is what all leaders, administrators, teachers, students, parents, and the community want out of learning.

WHAT PEOPLE ARE SAYING...

“

It is definitely a fruitful experience working with Dr. Anthony.

He has become one of the important mentors in my learning journey.

Anthony Richiez

★ 88% of 35 attendees to date found Anthony's sessions valuable

Audience Feedback On Apr 10, 2024

“ These were the most engaging 7 hours of a workshop I have ever participated in. Even after the experiencing the slump of lunch, Dr. Richiez kept me interested, awake, and wanting to learn more! ”

“ It was a great workshop. Have a lot of good ideas that can use inside the classroom and trying to understand students. ”

“ Very practical tips and advice for teaching and growing in your understanding of the students and styles of learning! ”
